GRADE 10 - MODULE 1 - UNIT 1

WRITING A PARAGRAPH

People have always agreed upon the fact that green tea has many benefits for the health and well-being. Plan and write a six-sentence paragraph (6 sentences) in which you present the benefits of green tea.

OUTLINE

Topic sentence: Green tea has many benefits for the health and well-being.

Supporting detail 1: treating headaches

Supporting detail 2: rich in antioxidants

Supporting detail 3: help combat diseases

Supporting detail 4: improving general immune system

Concluding sentence: People should drink more green tea rather than fizzy drinks if they want to be healthy and safe from many diseases.

Green tea has many benefits for the health and well-being. **F**irst, it is a good treatment for headaches. **S**econd, it is rich in antioxidants which remove harmful substances from the body. **T**hird, it helps combat many diseases such as cancer and arthritis. **M**oreover, it improves the immune system and lowers the harmful cholesterol. **F**or all these benefits that green tea can provide, people should consume it more than any other type of drinks.
